Re: Docket #51415

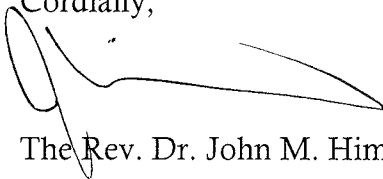

To Whom It May Concern:

I am writing you concerning a letter I received from Southwestern Electric Power Company (SWEPCO) notifying me as a SWEPCO custom of a request for a rate change submitted to your commission.

Over the last number of years my family has experienced 120% increase in our electric rate due to added fees and fuel cost that have been continually tacked on to our bill. The request by SWEPCO for additional increase allowing SWEPCO to increase its billing by 30.3% is outrageous neither residential customers nor business customers can continue to function in these economically challenging times if they are hit with such an increase.

I urge the commission to reject this rate change request by SWEPCO.

Cordially,

The Rev. Dr. John M. Himes, D.Min.
